WOMEN

A LETTER FOR PRESBYTERIAN WOMEN

A special request . . .

Presbyterian Women in the Presbytery of the Peaks wishes to take this opportunity to thank you and the ladies of your church for your support and involvement with our programs. We are sending you a special letter to ask if any of the ladies in your church would be willing to consider serving in a leadership role at the Presbytery level, either in this coming year or in the future.

On the next page, you will find a “Time and Talents Inventory” form that we developed to make it easier for interested ladies to contact us. This document will give us an opportunity to get to know those who might have an interest in serving on the Coordinating Team or in taking another role with Presbyterian Women.

The form will give us information on your varying skills and interests and will allow us an opportunity to get in touch with you when openings occur on the Coordinating Team or when other opportunities for service arise within PW.

We ask that you return the form, either electronically or by mail, to me at your earliest convenience. My contact information can be found at the bottom of the form. The information that you share will be passed along to the members of the Search Committee and to our Coordinating Team.

We are excited about adding people to the team and hearing from you about ladies in your church who might want to serve at the Presbytery level.

We look forward to hearing from you.

Blessings,

Cynthia Washburn
