## Current edition is good through 2023

The COVID-19 pandemic has had a long-term impact on how the Presbyterian Church (U.S.A.) will be conducting business over the next few years, including any updates to the Book of Order.

"The 224th General Assembly referred all items of business which had constitutional implications to the 225th gathering," said Laurie Griffith, associate director for Constitutional Interpretation in the Office of the General Assembly.

**"That means there were no changes to the Book of Order and the current edition is effective through 2023."**

Griffith says this is a first in the PC(USA).
